

As an Employee Benefits Professional, you know the time, effort, and fortitude it takes to obtain the CEBS designation. It's not easy and it deserves special recognition when one does pass all the exams. With live, in-person get togethers now more common, the Chicago Chapter wants to celebrate those who earned their CEBS recently.

Members of the Chicago Chapter are invited to join us at no cost. Not a member? [Join the International Society and the Chicago Chapter](#) by September 8th, and you too can enjoy the fun. See details of the event below. If you would like to join us, just follow the RSVP instructions below. Please indicate your membership status when you reply.

We'd love to see you there!

**TO THE NEW CEBS
GRADUATES!**

Please RSVP by September 8th by sending an email to npritz@achfood.us including your name and membership status. All designees will be recognized and presented with an exclusive CEBS pin. Designees who are unable to attend and RSVP their regrets will be mailed their congratulatory pin.

All are invited to come early and attend the Chicago Chapter board meeting from 4 pm to 5 pm, also held at Pinstripes. We hope you'll join us to meet other CEBS designees, learn the workings of your local chapter and get involved.
